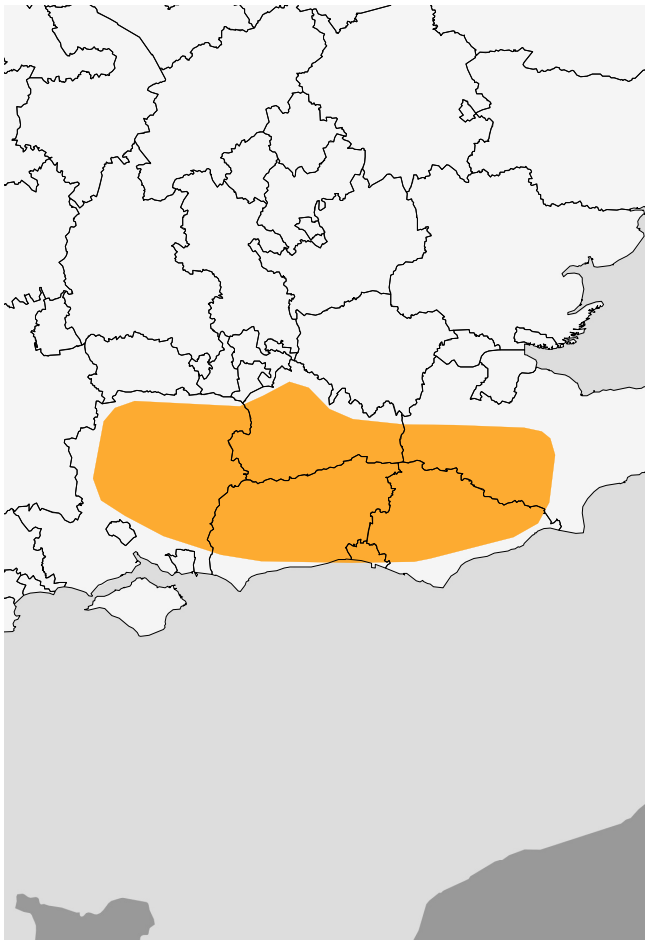
Amber warning
Rain

Between
00:15 Sun 16 Feb 2020 and
18:00 Sun 16 Feb 2020



Storm Dennis is likely to bring very heavy rain, flooding and disruption to travel over the weekend.

What to expect

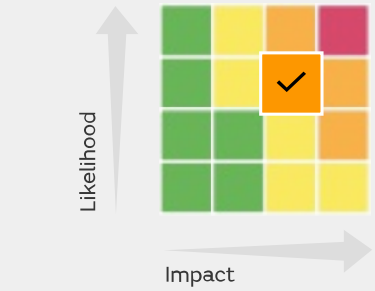
- Homes and businesses are likely to be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is likely, causing danger to life
- Delays and some cancellations to train and bus services are likely
- Spray and flooding probably leading to difficult driving conditions and some road closures
- A good chance some communities cut off by flooded roads
- Power cuts and loss of other services to some homes and businesses likely

Further details

Spells of heavy and prolonged rainfall are anticipated to bring around 20-40 mm of rain quite widely, with 60-80 mm possible in a few locations. This rain is expected to fall across areas already wet from recent rainfall.

Reason for update

Adjustment to the Further Details text, including expected rainfall amounts.



Medium likelihood of medium impacts
